September 2022

FROM THE PRESIDENTS

Greeting WestShore DeColores family!

I don't know about you but I am loving this warm weather, But I know cold weather is coming soon, which means snow! Burr!!! I do have to admit though, there is something about that first snow of the year, it is so white, beautiful and pure! Just as Christ is!

We finally had our first weekend of 2022, but it did come with some difficult decisions and learning moments. But God still showed up in powerful ways and the men were truly blessed. The devil Covid tried to derail the weekend and quite honestly tried to cause strife, hurt and anger amongst our sisters and brothers. But God pulled it all back together and we are all better prepared and know that with prayer, grace and favor we can do all things in Christ. So with that said we want to keep the community informed, we have as a board made the following decisions as Covid is still rearing its ugly head. Praising God that people are not getting as ill with the new strains.

We ask that if you are not feeling well please discern whether it is best to come on a weekend.

If anyone during the weekend becomes ill, we will have Covid tests available. If the test is positive, unfortunately you will need to leave the weekend.

It will be announced to the team and every precaution will be taken to keep others as safe as possible. Hand sanitizer and masks will be available to anyone who wants them, and extra cleanings will continue to take place.

There may be other tough decisions that may need to be made concerning holy hour, Serenade, Sunday church service and closing. Before any canceling of these events they will be prayed over, talked through by the executive board and any and all other possible avenues to keep these events going will be discussed and then relayed to the community via email blast and our Facebook page. We are praying that we won't have to make these decisions, but we want to be transparent and the health of our community is very important to us all. We also want the community to make the decisions to attend as well for themselves.

We are asking the community to stand in faith that God will cover all upcoming weekends in protection from any illnesses or Satan's tactics to try to keep the candidates from seeing Jesus with skin on!

We have a Women's weekend Oct 6th-9th at Holton Methodist see website for further details and contacts.

We will also be accepting letters for the Vice president at the October board meeting. We know that there are many people in our community who are qualified and we are praying they are listening to Gods leading!

We also have many other board positions open and would love to see you at the board meetings to help make future decisions for WestShore DeColores.

God has big plans, and we all need to be ready to listen and act when He calls!

DeColores

SPIRITUAL DIRECTOR CORNER

“Fall” Back

“For everything there is a season, and a time for every matter under heaven.”Ecclesiastes 3:1

Living in Michigan makes us privy to the changing seasons. No longer are there warm summer days. Instead, we are entering the fall season where we are seeing the change of colors on the trees and feeling the cooler temperatures. We confirm, to everything there is a season.

All of us have been through a season of perseverance as we have endured the pandemic and the changes in our culture and environment. It has been a time for the history books, and while the virus remains, we are finding our way back to what we remember as “normal”. Through this season of isolation and anxiety for many people, we have become complacent and comfortable. We know longer feel compelled to spend time in the company of others. We can order our groceries, do take out, and watch church online. A recent study revealed less than 1/3 of the people have even gone back to church since March 2020. Yet scripturally we are told to be in fellowship with one another. Hebrews 10:24-25 reminds us, “And let us consider how to stir up one another to love and good works, not neglecting to meet together, as in the habit of some, but encouraging one another, and all the more as you see the Day drawing near.” Acts 2:42 does as well, “And they devoted themselves to the apostles’ teaching and the fellowship, to the breaking of bread and the prayers.” The time has come for a new season. It is time to devote ourselves to the apostles’ teaching and fellowship. The best way is to get back in the pews and back into the ministries we were so passionate about. DeColores allows for fellowship and ministry, independent of our denominations, and helps us further the kingdom of God here on earth. While you don’t have to commit to a weekend, could you commit to praying, serving a meal, attending Holy Hour, or closing?

DeColores is in a new season too. We are rebuilding and looking for people willing to pray for and serve in the ministry. We have all been privy to a season of absence, but now we are being called to a

season of activity. “Fall back” into your old habits of fellowship and start with going back to church and rekindling your love of DeColores so that others can have that same experience that you did when you made your weekend.

Grace and Peace,

Pastor Donna Rick

From the WSD Board

While it is very much appreciated when the team has outside help, there are boundaries that must be followed on a Westshore Decolores weekend.

If you are an outside team you must not be in chapel or in the talk rooms during talks.

If you are there during 24 hour prayer and a weekend concern enters the prayer chapel you must excuse yourself and pray in another area unless you are invited to stay and pray.

If you are at set up follow the direction of the Head coordinator even if you think your idea is better they have been planning the set up with the Rector/Rectoress for weeks. If you are there to clean up, follow the direction of those in charge of clean-up, they were selected by the Rector/Rectress for a reason. Do not come in expecting breakfast.

When you come in for kitchen help, you must have your hair restrained and may need to wear a hat or hair net or beard net if directed to do so by the head cook. Closed-toe shoes are also required. Be prepared to follow the directions of the Head cook and their team. Do not plan on eating food from the weekend or eating with the team.

While coffee and cookies may be available for 24 hour security do not expect it. Plan accordingly. You must remain outside the church and not interact with the team or candidates unless necessary

WE APPRECIATE EVERYONE'S WILLINGNESS TO SERVE BUT THESE GUIDELINES ARE IN PLACE TO PROTECT THE SANCTITY OF THE WEEKEND.

Just a reminder that when you serve on a weekend you are part of an outside team which means you are coming to serve only in your assigned area. You do not get to wander the church to see what is happening or listen to any talks, do not come expecting to mingle with the team and candidates. This is to protect the sanctity of the weekend.

Do not come expecting to be fed but to serve, food is purchased from monies donated and the cook buys what is needed for the number of people on the weekend, leftover food may be needed for a later meal or snack. You are there to support the team and candidates. You are not permitted to eat with the team and candidates. You should be taking care of serving or cleaning needs so the kitchen team and sit and enjoy a meal with the team and candidates.
